

Like most restaurants, our restaurants prepare and serve products that contain Egg, Fish, Milk, Soy, and Wheat. While a particular ingredient statement may not list one of these allergens, our products may be prepared with equipment that is shared with products containing one or more of these allergens. If you have a food allergy, please consult with your physician before deciding which Jack in the Box<sup>®</sup> products are right for you. We also recommend checking our Ingredient and Allergen information frequently as our menu and ingredients may change. If you have any questions regarding allergens in our restaurants, please contact Guest Relations at 1-800-955-5225.

These ingredient statements were reviewed for the presence of **Peanut, Tree Nut, Wheat, Soy, Milk, Egg, Fish, and Crustacean Shellfish**, which may cause allergic or other reactions in some individuals. If present, these allergens are added at the end of each ingredient statement.
